

# HOGWASH

## ABOUT HOGWASH

Hogwash was designed to reach beyond the bottle & secure a place in the cooler wherever your adventure may take you. The first vintage was shared among friends at a summertime BBQ, and the result was vibrant, approachable, and went down with ease. Today, our mission continues: to produce a world class rose that's fun, timeless, and ready for anything.

## TASTING NOTES

Hogwash expresses aromas of white lily, sliced strawberry and grapefruit. On the palate, you'll experience nectarine and mandarin orange with a clean and precise finish. A lingering of lemon zest and candied ginger leaves you refreshed and thirsty for more.

## WINEMAKER NOTE

“HOGWASH is known for fresh aromatics, bright flavors, and lively fruit, and the 2022 vintage continues this tradition. Our Provence inspired 2022 blend is 60% Grenache & 40% Verdelho. For this vintage, we opted for a lighter pressing of the Grenache and separated the darkest press fraction. We love the result; a pale colored rosé wine that is subtly nuanced, yet energetic, and textured.”

## AVAILABLE IN DIFFERENT FORMATS

Hogwash is available in 750ml bottle, 250ml can still and sparkling, and keg.
