**2022 · ROSÉ**

Intense aromas of fresh red berries, with cherry fruit flavours and a hint of melon. A beautifully balanced wine with crisp acidity and a lively finish.

## WINEMAKING

The Syrah, Malbec and Merlot were harvested early to ensure a good acidity. That resulted in an excellent balance in this rosé wine. After a slight contact with the skin for about 3 hours, a beautiful "salmon" color was obtained and the juice was separated from the skins. The fermentation was carried out at cooler temperatures (14-16°C) for 21 days to obtain attractive flavours of cherries and red berries.
