Winemaking:

Giesen creates premium, full-strength New Zealand Riesling, before using advanced spinning cone technology to gently remove first the aroma, and then the alcohol. They collect the delicate aroma and recombine it with the wine. The finished product is a refreshing, off-dry style of non-alcoholic Riesling wine with low calories.

Food Pairing:

Enjoy any time you'd prefer a glass of wine without the after-effects. Pairs nicely with fresh fruit salad, or citrus ceviche with avocado.
